Kashuk, author of *Real Beauty* (Clarkson Potter, \$27.50) and the skin care specialist who Ashley Judd, Estella Warren and Cindy Crawford go to for their perfect pores, advises, "Exfoliating removes the dead skin from the surface, allowing fresh skin to shine through."

Susan Ciminelli—Jennifer Lopez's pore perfectionist—shares, "By exfoliating, the skin can breathe easier and moisturizer can be more effective because it is not being clogged into the dead skin cells at the surface." For more advice from Susan and info on her star-studded spas check out www.susanciminelli.com.

*exfoliate

Removing surface skin cells with exfoliating scrubs is part of a thorough and healthy skin care routine. Sonia

is a master at moisturizing. "I mix base and moisturizing cream. I'm obsessed with adding moisture, making my skin look dewy and fresh."
