SUSAN CIMINELLI

HOT NOW

A pioneer in the holistic beauty industry, Susan Ciminelli turned her own skin around at a young age and since devoted her life to teaching and helping others achieve beautiful, enviable skin with her natural skincare line. After 4 years of emerging in the beauty industry, she opened her own spa and developed her natural skincare line for face and body based on essential oils, seaweed, vitamins and minerals, which provide an immediate improvement in the skin's texture and glow. Services offered include facials, BroadBand Light laser treatments, micro current, body wraps, reflexology, waxes, nutritional consultations, manicures and pedicures. Her line features an extensive natural skincare line for face and body, including cleansers, moisturizers, masks, serums, essential oils, bath and body products and cosmetics.

Some of the products include the Algae Deep Cleanse, a unique blend of algae oil, clay and essential oils of lavender and peppermint that removes dead skin cells, softens the skin and reduces the appearance of fine lines and wrinkles. The Hydrating Gel Mask, which acts as an antidote for skin irritated by harsh medical and chemical treatments, microdermabrasion, and overexposure to the elements. The Moisture Replenishing Day Cream, a luxurious face cream specially formulated for dehydrated, mature and lifeless skin from natural ingredients with proven specific results, the first cream in her line to contain the wonder anti-aging ingredient Matrixyl 3000, which stimulates natural collagen production.
