EXPERT TIP To give the skin a healthy glow, use Susan Ciminelli Marine Lotion. It hydrates, nourishes, reduces cellulite and helps prevent wrinkles, fine lines and stretch marks. Use it under your moisturizer, add it to a facial mask, or after the shower anywhere on your body and face. It's a key ingredient in the "Susan Ciminelli Glow" and Jennifer Lopez credits her radiance to this product. **BUY ONLINE NOW** [Susan Ciminelli Marine Lotion](#), \$95
