## Midtown NYC's Surprising Beauty Finds

By Bryce • Apr 17th, 2014 • Category: BEAUTY

Midtown NYC is better known for office buildings than beauty spaces, but if you look hard enough you just may find some of the best beauty experiences in the city. Here are a few totally worth trying:

**5. Reflexology or bust!** "I'm kind of a reflexology fiend, and [Susan Ciminelli](#), which is a stone's throw from my office, offers a lovely service. My tired feet get rubbed, needed, and stretched to rejuvenation every time," says Julia DiNardo of [FashionPulseDaily.com](#). She suggests making an appointment with Anna.
