Susan Ciminelli, a leader in wellness, beauty and skincare, will be personally providing her signature treatments and launching her all-natural "Get the Glow" Formula beginning next month at Aman Venice in Italy.

While at Aman, Susan will be premiering her all-new "Get the Glow" Formula, a remarkable formulation that combines the essential ingredients in her Hydrating and Sensitive Skin Formulas. This combination of natural oils, including chamomile, lavender, geranium oil and Vitamin E, easily absorb into the top layer of the epidermis, allowing for immediate results.

Aman Venice is a **seven-star** luxury, award-winning hotel located in the vibrant district of San Polo, and the destination of George Clooney's wedding in 2014. As sumptuous and romantic as the city itself, Aman Venice – set in a 16th-century palazzo on the Grand Canal – is home to museum-quality treasures including Tiepolo frescoes, gilded ceilings and centuries-old leather wall coverings.

While at Aman, Susan will provide facials, reflexology treatments and energy balancing work. Her famed prestige skincare line is derived from a precise collaboration of science and nature's most healing ingredients, together producing optimal results for skin health and appearance. Only the finest natural botanicals from the earth and sea including antioxidants, vitamins and minerals are integrated into Susan's cleansers, blends of pure essential oils, serums, moisturizers, and facial masks as well as anti-aging therapeutic bath and body treatments.

Author of *The Ciminelli Solution: A 7-Day Plan for Radiant Skin*, Susan has gained a loyal following throughout the world, catering to a wide range of celebrity clientele, including Martha Stewart, Jennifer Lopez, Naomi Campbell, Cindy Crawford, Kate Moss, Tina Fey, Sigourney Weaver and many more. Treating the elite and having thrived as the first and only penthouse spa in Bergdorf Goodman for 17 years, Susan has certainly perfected her practice.

The foundation of Susan's success is rooted in her overall philosophy – inner balance and wellness creates great skin, vitality and energy, famously dubbed "The Ciminelli Glow."

As Susan shares, "Going back to Italy for me is really special. It's about re-connecting with my roots and where I first gained an understanding of holistic wellness. As a young girl, I moved to Florence to live with my cousins and extended family. My uncle was a surgeon and practiced acupuncture and taught me about the body, skin, and healing. This is where I learned the farm-to-table approach to nutrition, which inspired my passion for helping people to live healthier and look their best. Working with the AMAN – Venice and sharing my signature treatments, experience and skin care line with their clientele and the public is a dream come true."

Susan will be providing her signature services on the following dates: November 27 to December 1, 2016, December 4-8, 2016, March 5-9, 2017 and March 12-16, 2017. Appointments can be booked by calling 1-800-477-9180, logging onto susanciminelli.com or emailing reservations@amanresorts.com
