jennifer lopez

splurges on Susan Ciminelli Algae Deep Cleanse (\$55), a face wash that exfoliates as it cleanses, leaving her skin so luminous that a slick of Lorac Lip Polish in Celebrate (\$17.50) is virtually all the makeup she needs to complete her look. **\$\$-SAVING TIP:**

Give your cleanser a longer shelf life by using it only in the evening. In the morning, a few splashes of cold water will do—unless you wore your makeup to bed, that is!

splurges on L'Oréal Paris Hair Care Oil (\$17), a combo of moisturizing oils that revives dry hair, then picks up bargain-priced Dippity-do Techno-Style Texture & Waves (\$3), a conditioning gel that's perfect for securing her sexy, scrunchy look. **\$\$-SAVING TIP:** For extra hydration, instead of using a hair oil, heat up any cream-based styler with your hair dryer before applying to make it super-moisturizing.
