■ **GET THE J. LO GLOW:** Check out the new, multitasking mineral makeup — it helps prevent wrinkles, breakouts and still covers up whatever you don't want people to see. Susan Ciminelli, beauty and skin-care expert to J.Lo, Ashanti and Naomi Campbell, has a new 59-piece beauty line that is made with SPF 26, doesn't clog your pores, helps prevent blackheads, and even includes healing ingredients such as jasmine, green tea, jojoba oil and lavender. *Susan Ciminelli Day Spa, ninth floor at Bergdorf Goodman.*
